Flis Irving appointed as new Board Secretary

The Watford Supporters Board (WSB) is delighted to announce that Flis Irving has been appointed as the Board's new Secretary, following the resignation of Nick Trigg.

The Secretary plays a key role in the running of the Board. Working with the Chair, Flis will agree and circulate the agenda for each meeting, circulate minutes and agreed actions, and act as a point of contact for communication between the club and the WSB.

We would like to thank Flis for taking on the role and wish Flis every success in it. We would also like to thank Nick once again for his commitment and his work on behalf of Watford supporters.

In the meantime, supporters can continue to submit questions and raise issues through the WSB website in the usual way.
